Concert preparations are well under way at ANPS as students fire up their vocal boxes and will soon commence creating props and backdrops. Costume notes have been discussed with each class and sent home as a guide for students as to how they can dress like their selected band. Please follow this costume note as accurately as possible and borrow or buy clothes accordingly; on that note parents and guardians may desire to encourage their children to ask their friends for items of clothing if needed. This has proven to be effective in this year’s Wakakirri.

Our instrumental bands are also firing up as Ukulele Group practice ‘Wild Thing’ by the Troggs, Drumming Group practice ‘Hopeful’ by Bars and Melody and Instrumental Group practice ‘Counting Stars’ by One Republic. These tunes and more will be played at our concert and the kids can’t wait! Get excited!!!
