REMINDER: Camp Medical Form Due

01/06/2023
No.14

Dear Families,

Today is the first day of Winter, please ensure children are arriving to school in appropriate uniform for this cold weather. We are noticing that there are way too many children arriving to school without jumpers or jackets.

It's getting close to the time where we will be planning for next year and an important part of the process is working out how many classes we will need. The amount of classes we have depends on the number of students that we have in each grade level. To assist us in planning, it is important for parents/guardians to hand in their Prep enrolment form as soon as possible. If you know of others in the community who intend sending their child to school here next year, can you kindly remind them that it is important to hand in their enrolment forms too. Thank you for your assistance with this.

Camp Club Lorne: The Club Lorne Camp kicks off next week!!! Students attending camp are very excited for their adventure. Our campers leave Wednesday morning and will be back Friday afternoon around 3:00pm. Mr James has been working very hard behind the scenes co-ordinating and organising all the aspects associated with running a school camp. A big thank you to Mr James and the other staff attending camp, Mr Raghdoo, Mr Leech, Ms Duffy, Ms Clark, Mary and Francis. Please remember to check your child has everything they need and ensure medication is correctly labelled, please hand to Ms Duffy and Mary at school on Wednesday morning. On Friday afternoon when campers return to school, we ask that parents stay back from the bus to give teachers space to oversee the children getting off the bus. We wish all the campers a fantastic trip and we look forward to hearing about their adventures.

Welcome Alex: We would like to welcome our newest staff member Alex. Alex is now in the role of youth worker at Altona North Primary School. Alex will be working with us every Tuesday afternoon and all day on Friday. You will get to see Alex's bubbly face at Breakfast Club every Friday morning so please be sure to introduce yourself and say hi. Alex will be visiting classrooms when she is in and will be connecting with students in the yard with the vast array of fun activities she has planned for the recess and lunch breaks. Alex will also be connecting with individual and groups of students throughout her day.

Parent/Guardian and Teacher Share Time: Thank you to all parents/guardians who handed in the requests for Parent and Teacher Share Time. Teachers are in the process of allocating your times. A note regarding your allocated time will be sent home tomorrow. If you did not send in a form requesting a time, please contact the office as soon as possible. This is a very important opportunity for you to meet with your child's class teacher to discuss your child's report and their progress at school during the first half of the year. It also a time to share other information that may be relevant to their learning for the next half of the year.

Family Reading In May Challenge: "Reading in May" finished yesterday students need to return their Reading in May Calendars to their classroom teachers. Everyone has been doing a fantastic job participating in "Reading in May" this year. WHAT CLASS WILL WIN THE SCHOOL PRIZE???????

King's Birthday - Public Holiday: Just a reminder the King's Birthday public holiday is on Monday 12th June, there will be no school on this day as it is a public holiday.
