### **Lockdown Extended Further Again**

Dear Families,

Unfortunately, the Victorian Premier, Dan Andrews announced today that the lockdown will continue until at least the Thursday 23<sup>rd</sup> September due to the high numbers of active Covid-19 Cases. We are all trying to do the right thing to be able to return to our normal daily lives, which includes children returning to school on-site, therefore the Victorian Government and the Education Department are strongly encouraging people who are eligible to get vaccinated, as soon as possible.

This means that Remote and Flexible Learning will now continue until the end of term Friday 17<sup>th</sup> September.

We will continue with Remote & Flexible Learning just as we are currently doing.

- Google Classroom will continue, as per the current timetable.
- Some additional Google Classroom times will continue to be organised by classroom teachers, ES staff, as well as Mr Jaggard (Learning Specialist/Extension) and Mr Raghdo (Intervention Specialist/Tutor).
- Your child's classroom teacher will continue to upload learning tasks onto Google Classroom throughout this period.
- Hardcopies will remain available for those families requiring them.
- Teachers will continue to supplement the learning Choice Boards with other learning tasks for individual students and groups of students.
- Phone calls will continue to be made by teachers where needed.

***Please Remember: Instructions on accessing Google Classroom can still be found on our school website and Facebook if needed.***

The continued extension of lockdowns is having an impact on the health and well-being of students, families and staff. Just like everyone else, the ANPS staff are also required to have an Authorised Provider and Authorised Worker Permit and are to work from home where possible. Therefore, we would like to sincerely thank our students and our families for your support during this time. We all do appreciate it.

Stay Safe. Stay well. Stay connected from afar.
