

*Respect. Excellence. Acceptance. Community. Honesty.*

Dear Parents / Carers,

Welcome to Term 4. Although it's not the start back we wished for at least we can see the road ahead. I hope you have all had a lovely break over the holidays and have managed to enjoy this lovely sunshine.

Next week we will begin the Term by being online as from Monday 4th October. Please follow last terms timetable to make sure all students are online with their teachers and friends from school.

For those families who have hard packs these will be ready for you to pick up from the front door at 8:30 Tuesday 5th October. Remember if coming to pick up packs you must follow the following:

- anyone entering school grounds MUST wear a mask
- Keep 1.5m distance from each other
- Sanitise prior to picking up packs

Teachers will give any further instructions when on line with your children.

I am looking forward to being back and hopefully see you when schools reopen.

Have a wonderful weekend.

Regards  
Robyn Gregson  
Principal
