REMINDER: Father's Day Stall Next Thursday

24/08/2023
No.24

Dear Families,

It has been another wonderful week at Altona North Primary School Primary School, with so many events and excursions to support our students learning. Please continue to support your child's participation in their daily Home Reading Program and the completion of any set weekly home work tasks.

2023 District Athletics: Congratulations to all the ANPS students who participated in Athletics carnival last Friday at the Newport Athletics Track. You all did a fantastic job representing Altona North Primary School.

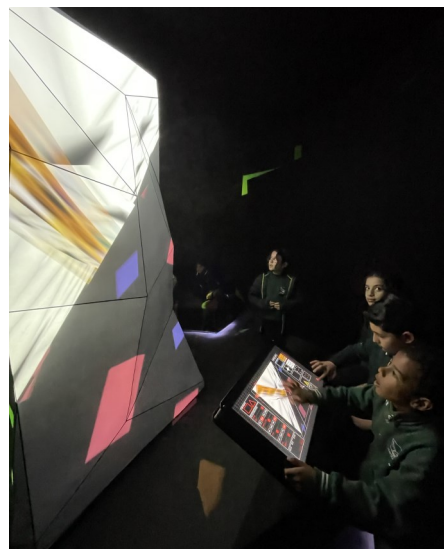

Lateness: Unfortunately, we continue to have far too many students attending school well after the bell. It is understandable that at times lateness is due to other circumstances outside of your control, however there are some students who are constantly and consistently late. It is important to help your child in getting them to school for an **8:45am** start each day. The students' learning begins from when they enter the classroom. If your child is constantly late, then they miss out on valuable learning time.

School Crossing: Over the next few weeks there will not be a crossing supervisor at **5th Avenue crossing**. Please be safe when using this crossing point, Students are to safely cross the road at this crossing and to always be respectful if there is a supervisor at all times. Vehicle Pick up and drop offs are to only be in designated road marked areas for the times shown on street signs. Make sure children are out of the car safely, ensure all road ruled are followed, be respectful of other parents and families for the safety of all.

Grade 6 Tops: All orders for the 2024 Grade 6 Rugby Tops need to be made by the 31st of August on our FCW (shop page). Order must be placed by this date to ensure arrival for Week 1 Term 1 2024.

Colourful Sock Day: Next Friday the 1st of September, we will be having a Wellbeing Day. To celebrate this, all students are encouraged to wear their most colourful and brightest sock on this day.

3/4 Unit Science Excursion: In term 3 the 3/4 Students have been exploring the states of matter through their science based Inquiry Unit, "**All is Not What it Seems**". To support their learning, the students visited Science works. Students participated in the interactive 'Beyond Perception' and 'Cool Stuff' programs which are led by experts at the Centre. The children had a fantastic day.

Father's Day Stall: With Father's Day being celebrated on Sunday 3rd of September, our Parents and Friends will be holding our annual Father's Day Stall next Thursday in the Library. Children are encouraged to bring between \$1–\$10 on the day to purchase items from the stall for their dad or special person.

1/2 Unit Legoland Excursion: Tomorrow the 1/2 unit are off on an excursion to LEGOLAND. Students will participate in a STEM workshop and a Legoland Scavenger Hunt where they will be challenged to build towers, design race cars and build a spinning top. We Hope you all have an amazing day.

Soccer X: Next term 4 we have **Soccer X** returning to ANPS . The soccer program will run every Wednesday from 3:30pm. More information will be coming soon!

School Uniform: We have recently updated our '**Out of Uniform Notice**'. This notice will be sent home with children who are not wearing the correct uniform. Could you please refer to the A.N.P.S school uniform policy and ensure that your child is always in full school uniform.
