Prep Tour

Dear ANPS Families,

**Education Week kicks off next week Monday 20th - Friday 24th May.
We would love to see our families join us in celebrating.**

Monday 20th
Education Week
Open Morning

On Monday morning we have a special assembly opening Education Week and students have been busy rehearsing their presentations for the assembly. Following assembly, families are invited to join their child in their learning time in their classrooms. Wednesday night we invite ANPS families to our 'Education Open Night', which is always very popular with our students and their families. Teachers have been planning and preparing learning activities to share with you on the night. All events are a wonderful experience for you and your child, as well as a great way to meet other parents in our community. It always creates a great buzz across the school when children's families visit us so we hope you can join us for at least one of our community events.

2023 Annual Report to the School Community: The Annual Report to the School Community is a legislative and regulatory requirement for all schools. The Annual Report provides an opportunity to share the school's achievements and progress with the school community and includes specific information on student outcomes, attendance and financial activities. The 2023 Annual Report can be accessed via our school website under 'About Us-School Policies'.

Monday 27th

Tuesday 28th
Glasses for Kids
&
Camp Info Night

June

Camp Malmsbury: Mr James and his helpers are in the process of completing the final organisations for camp. There will be a Parent and Student Information Night on Tuesday 28th May at 5pm. It is an expectation that a parent/guardian of every student attending camp comes to this extremely important meeting with their child. The meeting will include more detailed information about Camp Malmsbury. Medical forms and Parent/Student Camp Contracts will be filled out and signed. Please bring along Medicare/Healthcare cards, name and phone number of your doctor/medical practice.

Aussie of the Month: Congratulations to Rital for receiving Aussie of the Month. Rital is a compassionate, ambitious, and outgoing student who treats everyone with kindness and respect. She consistently reflects our REACH school values and displays strong leadership skills. Rital is a natural learner who shows great resilience and has a wonderfully positive outlook towards her learning. She is well-liked by her peers and is always willing to help others in need. Rital arrives to school each day with cheerful zest and has a wonderful sense of humour. Rital is a fantastic ambassador of our school and the teachers across the 3/4 unit are proud of her achievements. We look forward to seeing Rital flourish in future leadership roles at ANPS.

50 Nights of Reading: It is wonderful seeing our students who have reached the 50 nights of reading receive books for their great effort. It is wonderful to see so many children reaching this milestone. We thank all of our families for supporting and encouraging their child in learning to read. Setting time aside each night for reading time, modelling a positive attitude towards reading, and reading with your child helps them to develop a love of reading and has

Friday 20th Last Day of Term 3

a positive impact on their ability to learn in all areas of the curriculum.

Uniform: Our school has a designated school uniform that all students are required to wear. We still have some students wearing black jeans/pants/shorts with logos or windcheaters and hoodies that are not part of our school uniform. We understand that sometimes circumstances arise where a child may need to be out of uniform, so we ask that you provide a note/email/phone call to school regarding your child being out of uniform. If we do not receive an explanation, then your child will be given an out of uniform note to take home.

Prep 2025: Enrolments to Government primary school are due on **Friday 26th of July**. If you or anyone you know wishes to enrol at Altona North Primary School for the 2025 school year, please do so as soon as possible, enrolment packs are available at our front office.

Teeth On Wheels: Teeth On Wheels have been visiting children for dental check ups this week. They will be back in the next few weeks to finish their check ups. Help your child to keep the beautiful smiles that they have by ensuring they clean their teeth in the morning and evening, drink water rather than sugary drinks and eat nutritious food.

Have a fabulous weekend.

Lee Blunt
Acting Principal
