Camp Info Night

It's been a fantastic week here at ANPS celebrating Education Week. It especially exciting for the students to be able to spend special time sharing their learning with families during our open morning and open evening.

June

I was very proud of our student class performances at our education week opening assembly and choir performance at our open evening. It was their first performances this year in front of a large audience and as we all know, this can be quite daunting for even grown-ups, so it was very special to see them performed so amazingly. We do hope all our families enjoyed their time with us.

Parent/Guardian and Teacher Share Time: Next Monday 27th May students will receive notes for Parent/Guardian and Teacher Share time, which will be held on **Wednesday 26th of June**. This is an very important opportunity for you to meet with your child's class teacher to discuss your child's report and their progress at school. It also a time to share other information that may be relevant to their learning.

Friday 7th
Campers return

Camp Malmsbury: Not long left until our campers head off. There will be a Parent and Student Information Night on **Tuesday 28th May at 5pm**. It is an expectation that a parent/guardian of every student attending camp comes to this extremely important meeting with their child. Information and camp attendance expectations will be shared with parents/guardians and students so that everyone has a shared understanding of what is required for everyone to have to positive experience and the utmost fun on camp. Mr James and I visited Camp Malmsbury last week and we were very impressed with the amenities and the activities at the camp. I'm sure everyone is going to have a fantastic time. A big thank-you to Mr James and the team, Ms Shiels, Ms Clark, Mr Beatty, Mr Wardrop, Siobhan and Francis for organising and attending so that our students can experience camp life.

Glasses for Kids: The 'Glasses for Kids' program will be onsite next Monday and Tuesday. If you have registered your child for this program, please ensure your child is at school on time, as testing will begin first thing after the 8:45 am bell.

Wednesday 26th
Parent/Teacher
Share Time

Lateness: Unfortunately we have far too many children coming into school after the bell it is important to help your child by getting them to school for an 8:45am start each day. The students' learning begins from when they enter the classroom. If your child is constantly late, then they miss out on valuable learning time.

attend.

Breakfast Club: Breakfast Club runs on Wednesdays and Fridays at 8:00am in our Hall Foyer, the 7th Avenue gate is open on these mornings for students to access the hall. All students are welcome to attend Breakfast Club. Teachers volunteer their time to provide a good start to the day for the students who attend. It's a lovely time of the day for students to have breakie and socialise with each other.

Student Art: WOW! We have some talented students at ANPS. It feels like an art gallery walking down our school corridors with the incredible artwork students are producing. All students from prep to grade 6 should be very proud of their work. Its brightens up my day when I walk past them in the hallway.

Thank-you to everyone for their great support.

Have a fabulous weekend.
