Most of the trees and plants around our school have been planted by past and present students. It's the students efforts that have made our school grounds so beautiful. We look forward to seeing the new plants grow.

It is a wonderful week that celebrates all the great things we do here at ANPS in support of our students Literacy and Numeracy development. Today students received notes for our Family Open Night which will be held on Wednesday 4th September. If families can please complete the form and ensure that it is returned by **Friday 30th of August**.

Staff Professional Learning: On Friday last week teachers and staff at ANPS had a professional development day focusing on the revised numeracy curriculum. It was an interactive learning experience where staff shared and enriched their knowledge on how to continually teach the curriculum in a rigorous manner for all children.
