

9<sup>th</sup> July 2020

Dear Parents and Carers,

As most of you will be now well aware the school holidays have been extended for one week for all students from Prep to Year 10. This means school will not resume until Monday July 20th at this stage. Staff at the school are devastated and it was so nice to have everyone back at the school at the end of term two but the ever increasing spread of COVID 19 across Melbourne and the very concerning cases around our area means that we must do all we can to stop the spread of this awful Pandemic.

Please organise your family for next week as there will be no online teaching and learning at this stage for next week.

This is all I can tell you at the moment until further notice is given to us from the Department of Education and State Government. Please be assured I will inform you of any updates so make sure you continue to check our website and Facebook for any updates.

In the meantime please keep safe and stay home where possible we need to stop this from going any further and keep our children safe and well.

Thank you for your support as always,

Regards

Robyn Gregson  
Principal
